

# PalletTop™ Display

## Easy Assembly

- Four simple steps for setup, and the temporary shelving unit is ready to fill, stretch wrap, ship and display

## Design Simplicity

- Minimalistic design to decrease shipping costs and eliminate waste

## Lightweight, Yet Strong

- Two levels of VBoard®, combined with patented PF PalletTops® make a lightweight, easy-to-ship product with reinforced shelving

## Cost-Effective

- Ideal solution for seasonal and holiday retail items
- Comprised entirely of paperboard and corrugate and is 100% recyclable
